

FRENCH WITH TEACHER CERTIFICATION IN FRENCH (PRESCHOOL-GRADE 12) (B.A.)

French is one of the most widely-spoken languages in the world, with over 350 million daily speakers. It is also one of the official languages of the United Nations, the African Union, the European Union, and dozens of non-governmental organizations. Montclair State University's French program provides courses that develop language skills, literary appreciation, and an understanding of French-speaking people and their cultures. Students may select to be certified in French as a primary or secondary teaching field. Extracurricular activities and study abroad opportunities are available. Students may contact Dr. Lois Oppenheim or Dr. Kathleen Loysen for more information.

Students who wish to pursue P-12 teacher certification in French must apply to and be admitted to the Teacher Education Program. Once admitted, students will be matriculated into the B.A. in Secondary Education (<http://catalog.montclair.edu/programs/secondary-education-p12-ba/>) program as a second major.

Please visit the Teacher Education Program website (<https://www.montclair.edu/center-of-pedagogy/>) for the required professional sequence of courses and other important Program requirements, guidelines, and procedures. Students are strongly advised to review the Teacher Education Program Handbook. French majors must have a "B" average in French in order to apply to and successfully complete the Teacher Education Program. In addition, students must pass the ACTFL Oral Proficiency Interview (OPI) prior to the Student Teaching semester. Students should consult with the French Teacher Education Coordinator to prepare for this examination. Courses specific to the French Teacher Certification Program are shown below. Teacher Education Professional Sequence Departmental Methods Course: FREN 419.

120 credits of coursework is required for the baccalaureate degree with a minimum 3.0 overall GPA. Major GPA requirements differ depending on field of study. Consult the Teacher Education Program Handbook for more information.
