

FRENCH - TRANSLATION CONCENTRATION (B.A.)

French is one of the most widely-spoken languages in the world, with over 350 million daily speakers. It is also one of the official languages of the United Nations, the African Union, the European Union, and dozens of non-governmental organizations. Montclair State University's French program provides courses that develop language skills, literary appreciation, and an understanding of French-speaking people and their cultures. Students in the **Translation Concentration** may earn a Translation Certificate in order to enhance their linguistic skills or to enter careers related to international organizations. They may also take related business courses. Extracurricular activities and study abroad opportunities are available. Students may contact Dr. Lois Oppenheim or Dr. Kathleen Loysen for more information.

The major is composed of 36 credits. Unless otherwise noted, 120 credits of coursework is required for the baccalaureate degree with a minimum 2.0 overall GPA, and a minimum 2.0 major GPA.
